

This whitepaper discusses business continuity planning in a way the you may not expect. Business continuity is a means of handling a variety of transfer events and consequences that impact the business and the remaining (or new) owner with the original owner leaves.

In this whitepaper, you will find multiple problems facing sole owners and owners in multi-owner companies that an owner’s death or disability creates for a business, other owner, and sometimes families. It also proposes solutions to each of those problems.

Don’t wait until it happens. Download this whitepaper and educate yourself and your team today!
