

We are a medium size full-service CPA firm, located in Braintree, MA, looking for a **CPA or CPA candidate**.

A minimum of **5 years recent experience in public accounting** is required.

This staff accountant position will provide audit, tax and consulting services to our clients in various industries.

This is an excellent opportunity for an individual who is self-motivated, positive minded, able to work independently as well as in a team setting. Experience with the Profx suite and a paperless environment is desirable.

If you are looking for a firm with flexibility, a competitive salary, excellent benefits package, and growth opportunities please forward your resume using the form below or via [email with the same fields](#).
