

In today's economic climate, the struggle for financial resources can be difficult. Compound that with government contracts and accounting requirements, and it can be even more complex and confusing.

At ORRPC, we have the know-how to report on the rules and regulations for government agencies and the groups that fund them. Our professionals have experience with government agencies at the federal, state, and local level, including requirements outlined in the [Federal Acquisition Regulation](#) (FAR).

Our professionals understand the demands placed on government entities and deliver the services to help them succeed.
